1) Riley Children's Hospital:

We financially support Riley Children's Hospital through their Foundation. Of all the funds we raise, approximately half are sent to Riley Foundation.

2) Scholarships:

Presented to local high school students to attend any Indiana college or university

3) Reading Around the World (RAW) and Bring Up Grades (BUG):

RAW: We provide the money to purchase books for 2 local schools in impoverished neighborhoods. We read the books to the children who keep the books as their own. (Pre-school & K).

BUG: We donate money to be used for awards/rewards to elementary students who bring up their grades (Grades 3 - 5).
